

Lincoln Parish Tax Roll

The Louisiana Tax Commission has approved the Lincoln Parish Tax Roll. For those taxes collected by the Lincoln Parish Tax Collector (primarily parish-wide and City of Ruston taxes), the tax notice information has been sent to the printer, and we anticipate that they will be mailed around December 13. Taxpayers who do not want to wait for their tax notice to arrive in the mail can access the tax data via the Lincoln Parish Sheriff website at: www.lincolnparishsheriff.com. Click on "Pay Your Taxes" on the left-hand menu bar. Select the Tax Year 2021, and enter your search criteria.

The due date for property tax payments remains December 30. Understanding the hardship this may cause some taxpayers, the Tax Collector is granting a grace period deferring interest until January 28, 2022. Any tax payments NOT received by this date will accrue interest for the entire month of January.
